

## Stylish anti-ligature DALI wall mounted manual dimming controller

A stylish ligature-resistant wall-mounted controller designed to promote convenient and flexible control of lighting in mental health environments. ECO-Touch AL is a sophisticated but simple touch sensitive controller providing on, off and dimming control of luminaires fitted with DALI ballasts.

- 5 mm impact-resistant polycarbonate panel with touch-sensitive control
- Touch-sensitive controls for dim level and on/off
- Panel secured using tamper-resistant T10 pin Torx screws (supplied with tool)
- Suitable to control DALI luminaires
- Maximum 25 ballasts
- Standard United Kingdom surface or recessed single-gang switch box (recommended depth of 45mm).
